Full Stack Developer

Nashville, TN | (865) 307-8498 | bradydavisdev@gmail.com | linkedin.com/in/brady-davis-j | github.com/Brady-hash

## Summary

As an aspiring full-stack developer, I am dedicated to contributing to team success while continuously honing my technical skills. With a strong background in restaurant supervision, I bring exceptional communication abilities, a commitment to customer satisfaction, meticulous attention to detail, and proficient time management to the table. These skills have not only been instrumental in managing fast-paced environments but also resonate with the dynamic demands of software development. I am eager to leverage my work ethic and the versatility developed from my previous career to excel in a professional programming role, aiming to deliver innovative solutions and drive technological advancement.

## SKILLS

React, JavaScript, Node, Express, Git, GitHub, GitLab, Handlebars, Heroku, Inquirer, Insomnia, Jest, jQuery, JSON, MongoDB, Mongoose, MVC, MySQL, NoSQL, OOP, Sequelize (ORM), CSS, HTML5, Bootstrap,

## EXPERIENCE

### Dog Boarding Easy

- A full-stack web application that connects users with a dog boarding business, enabling them to easily schedule appointments
- Built with MVC architecture
- Utilizes Node, Express, Mysql, Tailwind and Handlebars
